Musculoskeletal
Medicine
Annual Scientific Meeting
6-8 October, 2017

Provisional Program

Friday 6th October, 2017

- 8.20 **President's Welcome**
Dr Serguei Kisselev
- 8.30 - 10.30 PLENARY 1**
- 8.30 - 9.00 **Topic TBC**
Emeritus Professor Nik Bogduk
- 9.00 - 9.30 ***The toll of knowing you are sick: implications for pain and pain interventions***
Professor Mark Hutchinson
- 9.30 - 10.00 ***The scientific basis for PRP in Musculoskeletal Medicine***
Dr Patrick Goh
- 10.00 - 10.30 ***Myofascial pain and dry needling GunnIMS (intramuscular stimulation)***
Professor Heather Tick
- 10.30 - 11.00 Morning Tea & Industry Exhibition**
- 11.00 - 13.00 PLENARY 2**
- 11.00 - 11.20 ***What compounding pharmacists can offer in chronic musculoskeletal pain and peripheral nerve pain***
Mr David Crisci
- 11.20 - 11.40 ***Novel pharmacological management of pain***
Ms Olly Zekry
- 11.40 - 12.10 ***Current research—Prolotherapy and Perineural Injection Treatment®***
A/Professor Michael Yelland
- 12.10 - 12.40 ***The Sweetest Solution - the use of Perineural Injection Treatment® in the management of pain***
Dr Bruce Jones
- 12.40 - 13.00 ***Clinical Pearl/Practice Tip***
- 13.00 - 14.00 Lunch & Industry Exhibition**

Friday 6th October, 2017 cont.

14.00 - 15.00 **PLENARY 3**

14.00 - 14.30 ***Frozen shoulder, rotator cuff and sports injuries***

Dr Elizabeth Clisby

14.30 - 13.00 ***Pectoralis major***

Dr Chris Homan

15.00 - 15.30 **Afternoon Tea & Industry Exhibition**

15.30 - 17.00 **CONCURRENT WORKSHOPS**

Room 1a ***Injection therapies for treatment of rotator cuff, shoulder joint and suprascapular nerve block***

Dr Margi Taylor

Room 1b ***PRP and U/S technique - Session 1***

Dr Patrick Goh

Room 1c ***Dry Needling/Myofascial pain management***

Professor Heather Tick

Room 1d ***Manual therapy - Session 1***

Dr Geoff Harding & Dr Paul Cleary

17.00 **AGMS**

Saturday 7th October, 2017

7.00am for 7.15am start

BREAKFAST PANEL DISCUSSION

Moderator: A/Professor Michael Yelland

Musculoskeletal research in action: A beginners guide to translating clinical practice into a publication

Professor Mark Hutchinson, Mr Daniel Barratt & Ms Kylie Sproston

8.30 - 10.30 PLENARY 4

8.30 - 8.55 *TMJ & head muscles*

Dr Ken Russell

8.55 - 9.25 *Diagnostic cues in temporomandibular related headaches and cervical headaches*

Dr Peter Selvaratnam

9.25 - 9.55 *Nutritional approaches - anti-inflammatory diet, headache*

Professor Heather Tick

9.55 - 10.20 *Botox for migraine and dystonia*

Dr Joe Frasca

10.20 - 10.30 *Student Presentation*

10.30 - 11.00 **Morning Tea & Industry Exhibition**

11.00 - 12.30 PLENARY 5

11.00 - 11.30 *Current clinical applications of PRP in the Upper Limb*

Dr Patrick Goh

11.30 - 11.55 *Hand & finger rehabilitation*

Ms Suzanne Caragiannis

11.55 - 12.20 *Dupuytren's, CTS, ganglia, trigger fingers, OA thumb*

Professor Yugesh Caplash

12.20 - 12.30 *Student Presentation*

12.30 - 13.30 **Lunch & Industry Exhibition**

13.30 - 15.00 PLENARY 6

13.30 - 13.55 *Low level laser therapy*

Dr Roberta Chow

Saturday 7th October, 2017 cont.

13.55 - 14.25 **Pharmacological phenomena**

Ms Olly Zekry

14.25 - 14.45 **Spinal research report**

Dr Scott Masters

14.45 - 15.00 **Clinical pearl/Practice tips**

15.00 - 15.30 Afternoon Tea & Industry Exhibition

15.30 - 17.00 CONCURRENT WORKSHOPS

Room 2a ***Injection therapies for headache, neck and TMJ, elbow and hand***

Dr Margi Taylor & Dr Ramona Chryssidis

Room 2b ***TMJ manual techniques***

Dr Peter Selvaratnam

Room 2c ***Low level laser technique***

Dr Roberta Chow

Room 2d ***PRP & U/S technique - Session 2***

Dr Patrick Goh / Jones and Partners

18.30 for 19.00 AAMM Conference Dinner, Adelaide Oval

Sunday 8th October, 2017

8.30 - 10.30 PLENARY 7

8.30 - 9.00 *Whiplash & head & neck pain*

Emeritus Professor Nik Bogduk

9.00 - 9.30 *The problem with modern imaging practice*

Dr Jonathan Heysen

9.30 - 9.55 *Simple management neck pain & migraine*

Dr Giresh Kanji

9.55 - 10.20 *Facet joint pain and treatments*

Dr Jim Borowczyk

10.20 - 10.30 *Student presentation*

10.30 - 11.00 Morning Tea & Industry Exhibition

11.00 - 13.00 PLENARY 8

11.00 - 11.30 *Current concepts in total shoulder arthroplasty*

Professor Jegan Krishan

11.30 - 11.55 *Bone health & osteoporosis*

Dr Margaret Taylor

11.55 - 12.20 *Pectoralis Minor and Thoracic Outlet syndrome symptoms*

Dr Mike Ellis

12.20 - 12.40 *Rib tip syndrome, costochondritis, subcostal pain, sternocostal junction etc*

Dr Geoff Harding

12.40 - 12.50 *Student presentation*

12.50 - 13.00 *Clinical Pearls/Practice tips*

13.00 - 14.00 Lunch & Industry Exhibition

14.00 - 15.30 CONCURRENT WORKSHOPS

Room 3a *Dry needling/Myofascial pain management*

Dr Heather Tick

Room 3b *Manual therapy - Session 2*

Dr Paul Cleary & Dr Geoff Harding

Room 3c *Shoulder Examination Technique - Back to Basics*

Dr Elizabeth Clisby

Room 3d *Inteleviewer session*

Jones and Partners (I-Med)

15.30 Meeting close
